OCULATORY WISDOM.

A kiss is a thing of a minute.
There really is not so much in it.
A simple persuasion
That's not worth discussion.
All over when once you begin it.
So trifling a gift, then, a kiss is,
That a problem insoluble this is:
When a fair maiden spurns it.
Nay, even returns it.
Where is it the rapturous bliss is?
—Marion Ames Tugger.

LOUISVILLE RACES.

Brings Together Best Three-Year-Olds in the West.

The Spring Meeting at Louisville, opening Derby Day, May 10th, has drawn more horses than in former years. Every available stall in and outside of the grounds is occupied. All of the big stables in the West are represented, either in whole or with part of their strings, it being impossible to provide for all.

The Derby, oldest classic in America, has as almost sure starters Agile, winner of the Tennessee Derby; Ram's Horn, winner of the Montgomery handicap, beating aged horses with his weight up; Dr. Leggo, the best three-year-old on the Coast, winner of the Ascot and California Derbies; Ivan the Terrible, Kurtzman, Braden, Clydeo, Pinkerton, Ed Sheridan and Freebooter; nineteen others have made the final payment and their owners' expectations are based on improvement over last year's form. In the Kentucky Oaks, twenty-one fillies qualified, with possible starters in Intense, La Londe, Angleta, Druid, Janeta, Lady Goodrich, Mum, Regale, Lady Ellison, Marie Francis and Bashford Belle. The Clark Handicap has continued to hold the same high class horses, the majority of whom are at the track. Steeple-chasers will be given every other day, the Louisville Steeplechase Stakes being among those run.

The railroads have made a special rate of one and one-third fares for the meeting. Quite a delegation will go from here.

For a Weak Digestion.

No medicine can replace food, but Chamberlain's Stomach and Liver Tablets will help you to digest your food. Thousands have been benefited by their use. They only cost a quarter. For sale by all Druggists.

WOMEN NOT TRUTHFUL

This Statement Has Been Unjustly Made, Because Modest Women Evade Questions Asked By Male Physicians.

An eminent physician says that "Women are not truthful; they will lie to their physician." This statement should be qualified; women do tell the truth, but not the whole truth, to a male physician, but this is only in regard to those painful and troublesome disorders peculiar to their sex.

There can be no more terrible ordeal to a delicate, sensitive, refined woman than to be obliged to answer certain questions when those questions are asked, even by her family physician. This is especially the case with unmarried women.

Is it any wonder, then, that women continue to suffer and that doctors fail to cure female diseases when they cannot get the proper information to work on?

This is the reason why thousands and thousands of women are now corresponding with Mrs. Pinkham. To her they can and do give every symptom, so that she really knows more about the true condition of her patients, through her correspondence with them than the physician who personally questions them.

If you suffer from any form of trouble peculiar to women, write at once to Mrs. Pinkham, Lynn, Mass., and she will advise you free of charge.

The fact that this great boon, which is extended freely to women by Mrs. Pinkham, is appreciated, the thousands of letters received by her prove. Many such grateful letters as the following are constantly pouring in.

Ask Mrs. Pinkham's Advice—A Woman Best Understands A Woman's Ills.

The Australian ostrich hen lays an average of about fifteen eggs a year. There are now quite a number of large ostrich farms in Australia, and it is expected that some future day this industry will assume large proportions.

Mrs. Ella Lee, Frankford, Ind., writes: Dear Mrs. Pinkham:—

"I want to thank you for what your medicine has done for me. Three years ago I had inflammation of the ovaries and ulcers on my womb. I was under the doctor's care for about three months, and the only time I was not in pain was when under the influence of morphine. The doctor finally said I never would be better, and would be an invalid the rest of my life. I had given up in despair, but one evening I came across one of your advertisements and decided to write you for advice. I did so and commenced to take Lydia E. Pinkham's Vegetable Compound. I began to improve at once, and to-day I am a well woman, and I know it is all due to your advice and medicine."

Mrs. J. H. Farmer of 2809 Elliott Avenue, St. Louis, Mo., writes:

Dear Mrs. Pinkham:—

"I cannot thank you enough for what your advice and medicines have done for me. They have done me more good than all the doctors I ever had. For the last eight years I have suffered with female troubles, was very weak, had nervous prostration, and could not do my work; but I am happy to say Lydia E. Pinkham's Vegetable Compound has made a different woman of me. I am in perfect health and have gained in weight from 98 pounds to 122 pounds."

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record for actual cures of female ills as has Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

It is stated that an expedition organized on the Rand has left Johannesburg to make another attempt to recover the £250,000 worth of gold which was on board the Dorothea when she foundered off the Zululand coast.

One third of the 100,000 Japanese in this country are said to be in California.

Official figures show that about 100 lives were lost in making the Simplon tunnel.

Hon. Henry C. Thayer, a prominent Indiana Republican and Mason, is dead at Plymouth, Ind.

An English woman a few years ago invented a button hook for gloves, which is now worth \$5,000 a year to her.

The exports of Cuba for 1904 aggregated in value \$100,000,000, about \$11,000,000 more than in 1903, and of this amount \$8% came to the United States.

The University of Pennsylvania now has 325 officers of instruction and 2,975 students in attendance, or an increase over last year of 20 officers and 283 students.

The steamship Minnesota, the largest freight carrier afloat, broke all records for the voyage between Yokohama and Seattle, Wash., making it in thirteen days, twenty-one hours and five minutes.

In Belgium the insurance against accident and disability is obligatory for miners. Moreover, since January 1st, 1900, the Government has had a National fund for retiring pensions, which is voluntary, and insures to each of its members when 65 years old a pension of \$69.50.

Ledger Leaves.

Dr. Dowie surely can't expect to outshine the Standard Oil Company.

It's not what a man preaches but what he practices that engages men's attention.

If holding on to money "taints" it, it looks like Russell Sage's roll would be pretty rank.

Some men imagine they have a call to preach which was in reality only some one calling hog.

Some men find it easier to preach to three churches in Kansas than to pay what they owe in Kentucky.

John Paul Jones likely won't take much cognizance of his removal from France to the United States.

Dr. Dowie is returning home under the impression that Rockefeller and a few other lights are monopolizing the public attention to a marked degree.

A. W. THOMPSON.

A. H. MERRITT.

"Tired in the Morning"

This condition is unnatural. A healthy person gets up in the morning well rested, feeling fine and ready for the day's work.

If you get up in the morning tired, it simply means that your nerves have not rested and their restlessness has not allowed you to rest in the healthy, normal way.

"Tired in the morning." "Run down." "All worn out"—these signs are the warnings—they mean that your nerves need attention.

You must feed some new power to your nerves.

That is just what Paine's Celery Compound does. It feeds new power to the nerves and builds them back to healthy strength.

It makes new Nerve Force.

It makes new vitality and makes life worth living.

That is just why for the past 18 years Paine's Celery Compound has been the most universal-ly used tonic in the world.

A. H. MERRITT'S EXPERIENCE
WILL PROVE VITALLY INTER-ESTING TO THOUSANDS.

"Two years ago I had a nervous disorder that completely prostrated me. I couldn't sleep, and would lay and toss about all night, arising in the morning more tired than ever, head heavy, eyes dull and every bone and muscle aching. I tried to get along without calling in a doctor, but was finally driven to it. He treated me for some time, but with no perceptible improvement in my health. Some one recommended your Paine's Celery Compound. The change it effected in my system was noticeable almost instantly. I gradually took on flesh. The 'all-gone' feeling left me. In less than six weeks I was fully recovered from what looked to me like an everlasting sickness. I feel actually grateful to you, as my health to-day is a testimonial of what your medicine can do. Yours very truly,"—A. H. Merritt, 32 Music Hall Building, Boston, Mass., Feb. 12, 1904. Bandmaster First Regiment Band, Heavy Artillery, M. V. M.

Try Paine's Celery Compound to-day.

Its effect is almost instantaneous—the non-ishment and vigor given to the nerve system by Paine's Celery Compound is felt at once.

The patient feels this at once and gains confidence by it.

The stronger nerve forces have begun at once to make each organ of the body do the work that nature expects of it.

Two days' treatment with Paine's Celery Compound will prove its marvelous power.

For over 18 years Paine's Celery Compound has been the most universally used nerve vitalizer and tonic in the world.

Remember this—Paine's Celery Compound is the prescription of one of the most famous physicians this world has ever known, Prof. E. E. Phelps, of Dartmouth University.

All reputable druggists recommend and sell Paine's Celery Compound.

SPECIAL CUT PRICES ON CANNED GOODS continue. Keep the old like by it. A few barrels of Fancy New Crop Potatoes left; as long as they last they go at 45¢. Every one who has bought my fine Blended Crop Potatoes is more than pleased. They sell at 15¢, 20¢ and 25¢; no money for me at that, but a small profit for you. My stock of Green Corn and Fine Beans is always full and up-to-date. And when it comes to flour, Perfection has no competitor. I very rarely guarantee to be just as recommended. Try a package of Saxton Wheat Flour or a package of Dr. Price's Celery Food or Hominy Grits; all very fine. A full supply of Apples, Oranges, Bananas and Lemons at all times. A few barrels only of very fine Greenup County Sorghum. It is as good as they last 40¢. Come right along and get the worth of your money in goods, new, fresh and cheap and always the best.

A very successful term of school taught by Miss Olive Palmer, closed Friday, the 14th

inst. The recital by the school in the evening was far superior to many that we have heard. They all spoke and acted with a naturalness which gave unmistakable evidence of the excellence of their training. They all did well. It is hoped they will be stimulated to greater effort. They were intellectual, capable of doing something meritorious, and I trust they will go on. They have a duty to do, a mission to perform, and by their works do justice to the great Free School System. We congratulate the patrons for having secured such an excellent teacher, and the solid improvement that has been made in the school the past year.

The Record in Maysville is a Unique One.

If the reader has a "bad back" or any kidney ailment and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Henry Bertram, shoemaker, of 27 East Third St., Maysville, Ky., says:

"I believe everybody in Maysville has read in the papers the testimony I gave in March, 1900, about Doan's Kidney Pills. For I have been asked again and again by residents of this town if that statement were true. For the benefit of persons who may now be suffering from forms of kidney trouble I repeat my testimony. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore I had suffered for some time with backache and a tired feeling and heaving aching in and about the kidneys. Being a shoemaker I thought my trouble was caused by my work, for every time I took a cold it settled in my back, but Doan's Kidney Pills quickly rid me of the trouble, and never from that time to this have I had any cause to complain of my back or kidneys. Doan's Kidney Pills perform exactly what they promise, and to be honest with you, I will say that in my opinion there is no remedy for kidney disorders equal to Doan's Kidney Pills."

About Rheumatism. There are few diseases that inflict more torture than rheumatism, and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. Our application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by all Druggists.

Trials of Motherhood

905 Broad Street, PHILADELPHIA, PA., June 12, 1905.

I suffered for nine years with ovarian troubles making life a burden to myself as well as to my family. During that time I had two miscarriages, and although we longed for a child to bless our home this seemed impossible. I had constant racking bearing-down pains in the pelvic organs and a pulling through my limbs with frequent headaches. I felt sick at my stomach and vomited frequently and no medicine helped me until I tried Wine of Cardui.

Then my general health improved, the pains gradually lessened and after 13 weeks I was well. I am now the happy mother of a boy sixteen months old and my husband joins me in sending heartfelt thanks to you for your splendid medicine. Without, I would have been a childless, instead of a happy and well mother.

Ans. Frederick Nirdlinger, CHAPLAIN, ST. ANDREW'S ASSOCIATION.

WINE OF CARDUI

Wine of Cardui is the most successful menstrual regulator. By regulating menstruation, Wine of Cardui banishes inflammation from the entire female organism and the strengthened ligaments bring the organs back to their proper place. This is what Wine of Cardui did for Mrs. Nirdlinger. It banished the racking pains and burning inflammation and brought her relief. She was restored to health and strength and gives Wine of Cardui the credit of making her able to become a happy mother. This medicine equips a woman for every duty of wifehood and motherhood. There are many suffering women who think that health can never be theirs because they cannot secure the services of a great specialist, but we want to say right here that while Mrs. Nirdlinger lives in Philadelphia, a great medical center, she depended on Wine of Cardui for a cure and she was cured. This same medicine is within your reach. Will you take it?
